

SALESFORCE® MANAGED SERVICES

aplusify.com

Power up your Association Management System (AMS) with Aplusify's Salesforce Managed Services and Member Help Desk Support. Aplusify's team of Salesforce-certified experts alleviates the burden of implementing and managing Salesforce so that you can focus on strategy and organizational mission. Our US-based Help Desk Agents serve as an extension of your organization by working directly within your AMS to provide technical support for your internal team and assist members with questions about membership, renewals, invoices, meetings, and events.
